

The Difference Is Performance!

AQUA POWER JUNIOR

The perfect solution to your unique pipe cleaning applications!

TIER TWO FLUID MECHANICS

The Aqua Power Junior Nozzle is KEG's nozzle designed for cutting applications. Its size is perfect for cutting grease and roots. With the Aqua Power Junior's lightweight design, it is easier to go up hills. Though this nozzle is compact, it works hard and can get the job done starting at 6" through 15" pipe systems.

ADVANTAGES
