

REDUCING BUSHINGS & STEP UP EXPANDERS

REDUCING BUSHINGS

Part Number	Bushing Type	Size
A00800026	Reducer	3/8" x 1/4"
A00800025	Reducer	1/2" x 3/8"
A00800020	Reducer	3/4" x 1/2"
A00800028	Reducer	3/4" x 5/8"
A00800021	Reducer	1" x 3/4"
A00800022	Reducer	1 1/4" x 1"
A00800029	Reducer	1 1/2" x 1 1/4"

Our bushings can expand or reduce the flow of water to accommodate the hose size as the project requires.

We offer an array of bushing or expanders from 3/8" - 5/8" to 1" - 1 1/4."

STEP UP EXPANDERS

Part Number	Bushing Type	Size
A00800027	Expander HP	1/2" x 3/4"
A00800024	Expander	3/4" x 1"
A00800023	Expander	1" x 1 1/4"

Aqua Power Junior and Aqua Power Mini Sleeves are best used when performing service laterals and in pipes with tight bends. Using the sleeve takes the

AQUA SLEEVES

place of a skid. The sleeve is designed to keep the nozzle out of the dirt and allows the nozzle to perform in tight places optimally.

Product Shown Above	Part Number	Weight (pounds)	Dimensions
A	G00100279	.55	2 3/8" x 1 7/8"
B	G00100280	1.75	3 1/2" x 2"
